## INTRODUCTION

Hey, I'm Santosh Bhandari, an aspiring Computer Application student with a deep passion for web development, programming, and design. Proficient in HTML, CSS, JavaScript, Django, C, PHP, and Adobe Photoshop, I am committed to pushing the boundaries of creativity and technology. With a strong foundation in these fields and a drive for excellence, I am eager to embark on a dynamic journey in the world of technology and contribute my skills to create innovative digital solutions.

## WORK EXPERIENCE

### Teacher

**April 2020 - June 2022**

I am a dedicated professional with a multifaceted background in education and data management. Having previously served as a teacher and data entry specialist at Cambridge IT Institute, I have honed my abilities in both imparting knowledge and maintaining the integrity of information. With a strong foundation in these diverse roles, I am poised to leverage my skills in future endeavors, contributing to both the growth of individuals and the efficient management of data-driven operations.
